

MALLETTS BAY BOAT CLUB

Colchester, Vermont

Situated on Malletts Bay of Lake Champlain

Founded 1936 - Incorporated 1947

The Malletts Bay Boat Club, Inc. is a not-for-profit, membership-governed club formed to provide facilities and programs to encourage and promote sailing, boating, and other water-related recreational activities on Lake Champlain. Racing, cruising, educational and family-oriented social activities are made available for the enjoyment and benefit of its members of all ages. The perpetuation and enhancement of these facilities and programs are the responsibility of all the membership.

Notice of Regatta and Sailing Instructions

1. Eligibility:

Each boat must conform to the rules of the class to which it belongs as to measurement, equipment and crew. In the case of one-design classes, the national authority rulings shall pertain. In the case of cruising boats racing under PHRF Handicap, the rules of PHRF Lake Champlain shall pertain.

2. Rules:

The Racing Rules of Sailing, as adopted by the U.S. Sailing Association, plus all instructions listed below. Modifications to these race instructions will be posted no later than 1 hour prior to the Warning Signal.

3. Skippers' Meeting:

Only when required by the Notice of Race.

4. Marks:

Orange, Green or Yellow marks will be used for races located within Malletts Bay. Letters are used to designate the marks (see chart on inside cover). An inflatable buoy may be tethered to the stern of the committee boat(s). This buoy will be considered part of the Race Committee boat. Government marks and islands may be used for cruising class or long distance races.

5. Starting Signals: See Page 75 for more details

Racing Rules of Sailing "26 Starting Races"

5a. Class Flags

"Class A-B" Red, "Class C/D" Yellow, "Class D" Gray, "Class N" White, J-24 "Green", "Lighting" Pink, Laser, "Gray

6. Sail Numbers:

Sail numbers are required in all races.

7. Additional Signals:

Postponed: Answering Pennant (red & white vertical bars) means "Race Postponed". The race may be started later the same day.

Canceled: Code Flag "N" (blue and white checkered) means "Race Canceled", return to Club.

Shortened: Code Flag "S" (white with blue square) means "Shortened Course". At its discretion, the Race Committee may shorten course at any mark prior to the first boat passing or rounding that mark. The Race Committee boat will establish its position at said mark by displaying Code Flag "S" and sounding two signals with the cannon or horn. The finish line will be between the Race Committee boat and the mark. The Committee Boat may anchor on either side of the mark.

General Recall: When at the starting signal the Race Committee is unable to identify boats that are on the course side of the starting line or to which rule 30 applies, or there has been an error in the starting procedure,

the Race Committee may signal a General Recall [display the First Substitute (blue & yellow triangle) with two sounds]. The warning signal for the new start for the recalled class shall be made one minute after the First Substitute is removed (with one sound). If there are multiple class starts, the recalled class's start will be moved to the end of the starting sequence.

Individual Recall: Code Flag "X" (blue cross on a white field) means "Individual Recall". The Race Committee will sound one signal to call attention to the flag, which indicates an individual boat or several boats are over early. The Race Committee will attempt to hail the boat(s) over early. However, it is the individual skipper's responsibility to start properly. The code flag "X" will stay up until all boats have started properly or for four minutes after the starting signal, whichever is earlier.

Life Jackets: Code Flag "Y" (red and yellow diagonal bars) means all crews must put on Coast Guard approved life jackets or be disqualified.

Radio Communications: The Race Committee may use VHF channel 12 to broadcast race information. The Race Committee may attempt to identify premature keelboat starters by broadcast their sail numbers on VHF channel 12. Failure of a boat to see, hear, or interpret a recall notification shall not relieve her of the obligation to properly start, nor shall it be grounds for redress under RRS 62. A boat's position in the sequence of broadcast numbers or failure of the Race Committee to broadcast recall numbers shall not be grounds for redress.

8. Protests:

Any boat wishing to protest another boat should so indicate by doing all of the following:

- Hail the crew of the other boat to inform them of the protest. If it is not possible, notify the other boat's crew at the first reasonable opportunity.
- Promptly fly an all red protest flag. However, boats of hull length less than 19'8" need not display the flag.
- Notify the Race Committee immediately after the race. Except in unusual circumstances, a written protest must be filed with the Race Committee within 30 minutes of the Race Committee boat's return to the Club.

Whenever possible, protests will be heard by a Protest Committee appointed by the Race Committee of the Day right after the racing is finished for that day. All such protests must be in writing, must include: the name of the protestor, the name of the protested, and the specific rule which is alleged to have been infringed.

When the above procedure cannot be followed, all written protests must be mailed to the Club Race Committee Chairman and must be post-marked within 24 hours (excepting Sundays and holidays). Upon receipt of such written requests, the Chairman will contact both parties and designate a time and place for a protest hearing. Any Club member who wishes to have the opinion of the Race Chairman regarding any rule interpretation may request the same by writing to the Race Chairman with the appropriate description. Please note that such a request does not

constitute a protest.

Racing boats will inevitably sail, at times, out of sight of one another and the person in charge may be the sole judge of fair play. When accepting a trophy, he or she must be satisfied that the race has been sailed in complete obedience to all rules for that race, or must advise the Race Committee of any variance.

9. Tie-Breaking Procedure:

Races that tie: If boats are tied at the finish line or if a handicap system is used and boats have equal corrected times, the points for the place for which the boats have tied and for the places immediately below shall be added together and divided equally. Boats tied for a race prize shall share it or be given equal prizes.

Series that tie (Regatta): If there is a series score tie between two or more boats, each boat's race scores shall be listed in order of best to worst, and at the first point(s) where there is a difference the tie shall be broken in favor of the boat(s) with the best score(s). No excluded scores shall be used. If a tie remains between two boats, it shall be broken in favor of the boat that scored better than the other boat in more races. If more than two boats are tied, they shall be ranked in order of the number of times each boat scored better than another of the tied boats. No race for which a tied boat's score has been excluded shall be used. If a tie still remains between two or more boats, they shall be ranked in order of their scores in the last race. Any remaining ties shall be broken by using the tied boats' scores in the next-to-last race and so on until all ties are broken. These scores shall be used even if some of them are excluded scores.

Series that tie (longer than a Regatta): For a series that is held over a period of time longer than a regatta, a boat that came to the starting area but did not start, did not finish, retired after finishing or was disqualified shall be scored points for the finishing place one more than the number of boats that came to the starting area. A boat that did not come to the starting area shall be scored points for the finishing place one more than the number of boats entered in the series.

10. Errors in Results:

The Race Committee takes every precaution to ensure that the race results are correct. However, errors are made. Please check the results of all races that you sail in carefully and report any errors to the Club Race Chairman. Errors not found and reported after two weeks from the publication of results shall stand as published.

11. Appeal Procedure:

Your right to appeal as detailed by The Racing rules of Sailing for 2005-2008 ISAF Section D -Appeals 70 Right of Appeal and Requests for Interpretation.

12. Handicaps:

Two handicap systems are established for boats of various types:

a. PHRF

This is the handicap system for inter-club cruising boat competition on Lake Champlain and also for some of the cruising boat races of MBBC. This nationally based performance handicap system is a time on distance or time on time handicap, which is modified and administered by regional groups. Local handicappers (three members each from Malletts Bay Boat Club, Lake Champlain Yacht Club, and Valcour Sailing Club) set the ratings. If you want to

race your boat under this system, you must apply for a PHRF Lake Champlain handicap for your boat. Application forms are available from PHRF handicappers.

b. PORTSMOUTH

Centerboard boats will use the Portsmouth ratings found in the USSA Portsmouth Yardstick.

13. Awards:

Many beautiful trophies are awarded each racing season. Perpetual trophies include: the "informal" Coffee Pot, the historical Corlaer, Royal Savage and Ted Brooks Trophies, the classic Chiott Cup, Benedict Arnold Trophy, Lake Champlain Race and Long Distance Race Trophies, Seamanship Trophy, Bob Sidle - Emerson Trophies and the "Chris Davis Trophy" for the Double-Handed Race.

A "keeper" trophy will be awarded to you if you finish in the top three in class in most races. It may be an individual trophy for this race and/or an award with all your season's results recorded on it. And don't forget our special award - The Moosehead - is looking at you!

14. Safety:

Each competitor is solely responsible for his or her own safety. All boats must be in compliance with Coast Guard safety regulations and the rules for inland water-ways. Boats unable to comply must retire or face disqualification under The Racing Rules of Sailing for 2005-2008 ISAF Part 1 Rule 1.2. A boat which retires from a race is asked to attempt to notify the Race Committee. Remember that "the rules of the road" DO NOT necessarily give a racing boat the "right of way". Please be courteous to other boaters and stay clear of boats not participating in the race.

15. Race Committee Recommendations:

It is the desire of the race committee to assist all competitors to be safe when on the water. However, the ultimate responsibility rests with the skipper/owner of each individual boat. The following are guidelines under which an individual race committee may act to cancel, or postpone a race due to weather conditions. If possible, a harbor postponement is preferable to a race course postponement.

a. No wind for Thursday night races: In the event there is no wind at the time of the first warning gun, the race committee should hoist the postponement flag. If there is no wind, or prospect for wind 30 minutes after the scheduled start of the first class, the race committee should cancel all starts.

b. No wind for day races: In the event there is no wind at the time of the scheduled first warning gun, the race committee should hoist the postponement flag. If there is no wind, or prospect for wind one hour after the scheduled start of the first class, the race committee should cancel all starts.

c. Abandonment: In the event that conditions become so extreme that the race committee fears for the overall safety of racers, and/or for itself, all races in progress should be abandoned.

d. Abandonment due to rain: Although rain can be a nuisance, it is not cause for abandoning a race. Rain is not a race committee concern.

e. Abandonment due to lightning: Visible lightning moving towards the race course is cause for postponement or cancellation. Lightning in the race area is cause for immediate abandonment.

f. Life jackets required: The skipper of a boat has the ultimate responsibility to require the wearing of life jackets on board his/her boat. The decision to do so should be based on crew experience, weather conditions, day or night sailing, crew comfort level, and number of crew available. However, if wind velocities are exceeding twenty knots at or before the warning signal for a class, the race committee may require the use of life jackets by hoisting the "Y" flag and making one sound signal.

16. Class N Rule:

For purposes of sailing in "N" class (non-spinnaker), rule numbers 50.2 and 50.3 shall be waived and not in effect.

Races for One-Design Classes

1. One-Design Series

General Description:

A series for Lightnings, J-24's, and any other one-design class of three or more starters. Format to be announced.

Scoring:

Series will be scored by each class according to their individual requirements.

Courses:

Races will be on a triangular or windward/leeward course (Figure 2) located on Inner or Outer Malletts Bay at Race Committee's discretion. Courses will be indicated by appropriate numbers and/or letters displayed on the Race Committee boat marker board. If only numbers are used, all marks will be kept to port. If numbers and letters are used, the number given first refers to one of the course diagrams. The letters following the number refer to the race marks (Figure 1) in the order to be rounded. The marker board should always be read from bow to stern on the Race Committee boat. For course 7, the starting mark is used only for the start and finish. Any course may be modified to use a mid course start/finish line (as in course 7) by displaying the letter "M".

Example: 2BCA

2 - refers to course #2 which is a triangle followed by windward, leeward.

B - 1st mark to be rounded.

C - 2nd mark to be rounded.

A - 3rd mark to be rounded.

Course #2 indicates "B" is to be rounded again with the finish back at "A".

Start:

1030

Finish:

Between a mark and the Race Committee boat.

2. Chiott Regatta

General Description:

MBBC's major one-design, two-day regatta. It is open to club and non-club sailors.

Date:

Saturday August 16 & Sunday August 17, 2008

Eligibility:

Any one-design class with 3 or more entries.

Classes:

For 2008, the Afterguard has selected the Laser class to race for the Chiott Cup. Other classes will be determined at the skippers' meeting.

Registration:

At club house, 0900

Skippers' Meeting:

1000 on Saturday only.

Course:

The course will be determined at the skippers' meeting.

Starting Times and Sequence:

To be determined at the skippers' meeting.

Scoring:

The series will be scored using The Racing Rules of Sailing for 2005-2008 ISAF Rule 89.3 appendix A. If six or more races are completed, one race will be discarded.

Awards:

The Chiott Cup is awarded to the winner of the class that has been selected by the Afterguard. Selection is made after classes have petitioned the Afterguard for the privilege to race for the Cup. Individual prizes will be awarded after the racing to the first 3 boats in each class.

3. Tuesday Evening Laser Series

General Description: An evening series for Lasers and other board boats.

Dates: See Schedule

Eligibility: Open to members and non-members.

Classes: Any board class with 3 or more boats.

Registration: At the Race Committee Boat

Course: Same as One-Design Series.

Starting Times and Sequence:

First Warning Signal is at 1800.

Course and postponement signals may be made orally. Audible signals shall govern, even when supplemental visual signals are also used. The starting sequence shall consist of the following sound signals made at the indicated times:

Signal Sound – Time before start

Warning: 3 long – 3 minutes

Preparatory: 2 long – 2 minutes

1 long & 3 short – 1 minute 30 seconds

1 long – 1 minute

3 short – 30 seconds

2 short – 20 seconds

1 short – 10 seconds

1 short – 5 seconds

1 short – 4 seconds

1 short – 3 seconds

1 short – 2 seconds

1 short – 1 second

Start: 1 long

Signals shall be timed from their commencement. A series of short signals may be made before the sequence begins in order to attract attention. Individual recalls shall be signaled by the hail of the sail number (or some other clearly distinguishing feature) of each recalled boat. Flag X need not be displayed. Failure of a competitor to hear an adequate course, postponement, starting sequence or recall signal shall not be grounds for redress.

Scoring:

The Racing Rules of Sailing for 2005-2008 ISAF Rule 89.3 and Appendix A. Each boat's series score shall be the total excluding 25% of the worst scores. Any fraction will be rounded up. If a boat has two or more equal worst scores, the score(s) for the race(s) sailed earliest in the series shall be excluded. The boat with the lowest series score wins and others shall be ranked accordingly. Canceled races do not count in the overall score.

Award: The Lake Champlain Laser Fleet Trophy

PHRF Series

Midweek and Fall Series

General Instructions

Eligibility: Open to all pre-registered boats. Traditionally, this series provides informal racing and provides the beginning racer or the owner of a non-class boat the opportunity to participate.

Registration: Available to all boats - Check in with the Race Committee

Classes:

- Class A: Spinnaker (full race) PHRF Handicap 99 and lower.
- Class B: Spinnaker (full race) PHRF Handicap 102-141.
- Class C: Spinnaker (full race) PHRF Handicap 144-177
- Class D: Spinnaker (full race) PHRF Handicap 180 and higher
- Class N: Non-spinnaker (maximum rated PHRF genoa)
- Class J: J24 One Design Class
- Class L: Centerboard boats normally sailed by a crew of two or more.
National Portsmouth Handicap

Note 1: Flashers and similar cruising spinnaker-type sails will be considered as spinnakers for these races.

Note 2: Boats racing in class N should fly a visible white pennant from the backstay from the time of the warning signal until the race is completed.

Start Location: (Midweek and Fall Series) Inner Malletts Bay.

Courses: Same as for the One-Design Series.

Protests:

Protest hearings will be held as soon as possible and the results will be posted. For protests involving an alleged breach of a rule of Part 2, where there is no damage, the parties involved in the protest may opt for arbitration. One representative of each party shall meet with a mutually agreed upon arbitrator. After taking testimony from each representative, the arbitrator will decide either: a) No boat broke a rule. If the representatives agree, the protest is withdrawn. If any representative disagrees, the jury will schedule a protest hearing. b) One or both boats broke a rule. The representative(s) of the boat(s) breaking a rule agree to withdraw from the race and will be scored as RAF and the protest will be withdrawn. If any representative disagrees, the jury will schedule a protest hearing. c) The protest does not qualify for arbitration. The jury will schedule a protest hearing. If the protest is withdrawn, the arbitration will neither be reopened nor grounds for redress. This changes RRS 62.1(a). The arbitrator may be present in the protest hearing as an observer but will not take part in the decision of the jury.

Scoring:

All keel boat classes will use PHRF time-on-time handicap. Centerboard boats will use the National Portsmouth Handicap. Scoring will be low point using The Racing

Rules of Sailing for 2005-2008 ISAF Rule 88.3 and Appendix A. The race committee of the day will be scored as if they had raced and will receive 1 point. This will not affect the scores of the race.

For these series, any boat that came to the starting area but did not start, did not finish, retired after finishing or was disqualified shall be scored points for the finishing place one more than the number of boats that came to the starting area. A boat that did not come to the starting area shall be scored points for the finishing place one more than the number of boats entered in the series.

1. Midweek Summer Series

General Description: A Summer series of Thursday evening races.

Eligibility: Open to all pre-registered boats, sailing in Class A/B, J/24, C/D, N, or L

Classes, Starting Times, and Sequence:

See Page 75 for explanation of Starting Sequence

Harbor Start: 1730

| Class | Flag | Warning | Preparatory | Start |
|-------|--------|---------|-------------|-------|
| N | White | 1810 | 1811 | 1815 |
| L | Pink | 1815 | 1816 | 1820 |
| C & D | Yellow | 1820 | 1821 | 1825 |
| A & B | Red | 1825 | 1826 | 1830 |
| J | Green | 1830 | 1831 | 1835 |

Courses and Location:

The Race Committee will attempt to choose a start location that will give the best initial windward leg. Watch for the Race Committee boat and leeward mark at a logical downwind position. The course will be displayed on the Race Committee Boat.

Overall Series Scoring:

All boats in a start will be scored together as a class. Each boat's series score shall be the total excluding 20% of the worst scores. If a boat has two or more equal worst scores, the score(s) for the race(s) sailed earliest in the series shall be excluded. The boat with the lowest series score wins and others shall be ranked accordingly. Canceled races do not count in the overall score.

Monthly Series Scoring:

Each class will be scored as a monthly series. All races will count.

Time Limit:

No boats will be finished after ½ hour after sunset.

Awards:

For 2008, the Gordon Anger Trophy will be awarded to first in class L for the season. Awards will be conferred on the top three finishers of each class for the season. Awards will be given for the monthly series.

2. Midweek Fall Series

General Description: A Fall series of Thursday evening races.

Eligibility: Open to all pre-registered boats, sailing in Class A/B, C/D, L, or N

Scoring:

Each boat's series score shall be the total of her race scores excluding her worst score. If a boat has two or more equal worst scores, the score(s) for the race(s) sailed earliest in the series shall be excluded. The boat with the lowest series score wins and others shall be ranked accordingly.

Classes, Starting Times, and Sequences:

See Page 75 for explanation of Starting Sequence

| Class | Flag | Warning | Preparatory | Start |
|--------------|-------|---------|-------------|-------|
| L & N | White | 1755 | 1756 | 1800 |
| A/B - C/D -J | Red | 1800 | 1801 | 1805 |

Start Location:

Inner Malletts Bay Racing Mark "C". Start may be either a windward or leeward start.

Time Limit:

There will be a 1½ hour time limit for each boat from the start of its class.

Course:

Course will be number six (6); windward - leeward, twice around.

Awards:

Awards will be presented to the top three place finishers of each class for the series.

PHRF Races and Regattas

1. Coffee Pot Race

Date: Saturday May 24

General Description: The traditional season opener. Be prepared for possible cold conditions. The Coffee Pot will be scored as a multiple race regatta.

Eligibility: Open to all PHRF boats.

Classes: Spinnaker and Non-Spinnaker

Course:

The course(s) to be used will be posted on the board at the end of the dock by 0900. The available courses are 1-7, as described in the Log under "Courses for One-Design Races," or Race Course C.

Race Course C:

1. Start in the Inner Bay between RC Boat and orange pin marker
2. Stave Island to Port
3. Jones Rock to Port
4. Finish Between RC Boat and orange pin marker

If Race Course C is used, the RC may shorten the race in the Outer Bay in the vicinity of the Cut between the Outer Bay and the Broad Lake.

Start Location:

The course may be located on the Inner or Outer Malletts Bay at the discretion of the Race Committee. The location will be posted on the chalk board at the end of the dock by 0900. The first warning signal for the final race will be no later than 1530.

Starting Times and Sequence:

See Page 75 for explanation of Starting Sequence. Class Flag is "White"

| Class | Flag | Warning | Preparatory | Start |
|-------|-------|---------|-------------|-------|
| All | White | 1000 | 1001 | 1005 |

Note:

Starting times will be 30 minutes later if the race is sailed on Outer Malletts Bay.

Scoring:

All Classes will use PHRF time-on-time handicap and will be scored using The Racing Rules of Sailing for 2005-2008 ISAF Rule 88.3 and Appendix A.

Awards:

The Coffee Pot will be awarded to the overall winner.

2. Double-Handed Race

Date: Saturday, June 14

General Description: A double-handed race for boats in Malletts Bay open to all keel boats normally crewed by two or more people.

Eligibility: Any class/fleet with two or more boats may race.

Classes: To be determined at Skipper's meeting.

Skippers' Meeting: 0900 hours

Course: Same as One-Design Series.

Starting Times and Sequence:

See Page 75 for explanation of Starting Sequence

| Warning | Preparatory | Start |
|---------|-------------|-------|
| 1025 | 1026 | 1030 |

Notes:

There will be separate starts for non-spinnaker keel boats and/or Portsmouth handicapped centerboard boats if there are 3 or more boats in each class. There may be multiple races at the discretion of the Race Committee.

Scoring:

PHRF classes will use PHRF time-on-time handicap and will be scored using The Racing Rules of Sailing for 2005-2008 ISAF Rule 89.3 and Appendix A.

Awards:

The "Chris Davis Memorial Trophy" is awarded to the top boat in the PHRF Spinnaker Class.

3. Royal Savage Regatta

Date: Saturday - June 21

General Description: A two-race event held on Outer Malletts Bay.

The Royal Savage Trophy is one of the most historically significant trophies awarded to sailors on Lake Champlain. The trophy consists of a glass encased relic from the Sloop Royal Savage, the first American Vessel to engage the enemy at the Battle of Valcour on October 11, 1776.

Eligibility: Open to all PHRF boats.

Classes: Classes A, B, C, D and non-spinnaker. Any PHRF fleet with two or more boats.

Registration: 0800 to 0900.

Non MBBC members may register at the Race Committee Boat.

Race Instructions: Available during registration and at the Race Committee Boat

Course: As per race instructions

Harbor Start: 0930

Start Time: First Warning Gun at 1030

Awards:

The Royal Savage Trophy is awarded to the boat finishing first for the combined total overall in Classes A & B.

The Ted Brooks Trophy will be awarded to the boat finishing first for the combined total overall in Classes C & D.

4. Long Distance Race

Date: Saturday – June 28

Competitors Meeting: 0830 hours

General Description: A single race will be held on Saturday June 28th.

No spinnakers or bloopers will be allowed. Boats may not use more than one headsail at a time and that headsail shall not be larger than their maximum PHRF rated genoa.

A rendezvous will be held on Saturday night near Stave Island or some other suitable anchorage in that area for race participants, MBBC cruisers, and others.

Classes: One Division for all boats.

NOTE: Adjustments to PHRF base ratings will be made for cruising gear, dinghys, and other issues.

Course:

Start in Inner Malletts Bay and finish near the anchorage around Stave Island. An exact course will be determined based on anticipated conditions and participation as the day of the event approaches and will be announced at the Skippers Meeting and posted on the regatta notice board before 0900.

Starting Time:

1000 hours -Warning Signal for all Classes

1005 hours -Starting Signal for all Classes

Awards:

The Long Distance Race Trophy and fun prizes will be awarded after the race.

5. Ethan Allen Regatta

Date: Wednesday - July 2**General Description:** An open regatta, raced using no spinnakers or bloopers.**Eligibility:** Any PHRF boat. Non-club sailors are welcome to participate.**Course:** To be announced at the end of registration**Registration:** 1000 to 1100 hours at MBBC.

Please try to pre-register via email to ghalsted1@yahoo.com anytime after June 1 and before 0900 hours July 1. [Just type "Ethan Allen Regatta" in the subject and tell me your name, boat name and boat type in the email.]

Starting Time: Individual start times based on your PHRF rating will be assigned at registration and the first boat to finish wins!

| Flag | Warning | Preparatory | Start |
|-------|---------|-------------|-------|
| White | 1155 | 1156 | 1200 |

Scoring:

The race will be scored using The Racing Rules of Sailing for 2005-2008 ISAF Rule 88.3 and Appendix A.

Awards: Presented directly after the race.

6. Lake Champlain Race

Date: Friday – Saturday, July 18 – 19**General Description:** The Lake Champlain Race exposes the racer to the northern sections of Lake Champlain. Information for the Lake Champlain Race can be obtained from Geoff Halsted: (802) 310-2961.**Eligibility:** Open to all PHRF boats.**Scoring:** All classes will use PHRF time-on-time handicap and will be scored using The Racing Rules of Sailing for 2005-2008 ISAF Rule 89.3 and Appendix A.**Classes:** Classes A, B, C, D and non-spinnaker as determined by Lake Champlain PHRF.**Registration:** At the Race Committee boat on the starting line.

There is no skippers' meeting. The Race Committee will monitor VHF channel 12.

Start Location:

Between the Race Committee boat and a starting mark northeast of Stave Island. Each yacht racing is asked to pass the committee boat to synchronize their time piece with the official race time. This will help to provide more accurate finish times if there is not a race committee boat on site at the finish.

Starting Times:

See Page 75 for explanation of Starting Sequence. Class Flag is "White".

| Class | Flag | Warning | Preparatory | Start |
|-------------|-------|---------|-------------|-------|
| All Classes | White | 2000 | 2001 | 2005 |

Race Course:

- Start Between RC Boat and orange pin marker
 - RN "2" at Stave Island to PORT
 - RN "28" Garden Island Ledge to STBD
 - RN "20" La Roche Reef to PORT
 - Schuyler Island to PORT
 - Juniper Island to STBD
 - The Four Brothers to STBD
 - Crab Island to STBD
 - Finish Line at RN 2 and Carlton Prize
- Total Distance: 62 Nautical Miles

Shortened Course: The Race Committee may shorten the race at any mark.

Time Limit: One boat finishing in any class will make the race valid for that class. Time limit will be 1900 on July 28.

Finish Line: Finish line will be between the Race Committee boat and a pin mark Northeast of Stave Island (Bird Rock.)

If the Race Committee boat is not on station, the finish will be between RN "2" (Bird Rock) and Carleton's Prize. In the event that a Race Committee boat is not present at the finish line, it will be the responsibility of the boat finishing to record it's own finish time and to then report it to the Race Committee by contacting Geoff Halsted: (802) 310-2961. Finish times must be recorded as the actual time finished, not the elapsed time of the race.

Protests:

Protests must be filed at the Race Committee boat at the finish, or by phone or e-mail to Geoff Halsted by 2000 hrs. On July 28. All protests will be heard at MBBC on July 31st at 2030 hrs.

Awards:

The Lake Champlain Trophy will be awarded to the boat which sails the course with the lowest corrected time.

7. Finch Cup

Date: Sunday - July 20

General Description: An open regatta, raced using no spinnakers or bloopers.

Eligibility: Any PHRF boat. Non-club sailors are welcome to participate. The boat must be helmed by a woman or Junior sailor.

Course: To be announced at the end of registration

Registration: 0900 to 1000 hours at MBBC.

Please try to pre-register via email to ghalsted1@yahoo.com anytime after June 1 and before 0900 hours July 12. [Just type "Finch Cup" in the subject and tell me your name, boat name and boat type in the email.]

Starting Time:

Individual start times based on your PHRF rating will be assigned at registration and the first boat to finish wins!

| Flag | Warning | Preparatory | Start |
|-------|---------|-------------|-------|
| White | 1055 | 1056 | 1100 |

Scoring:

The race will be scored using The Racing Rules of Sailing for 2005-2008 ISAF Rule 88.3 and Appendix A.

Awards: Presented directly after the race.

8. State Employees/Corrections Cup

Date: Friday, August 15

General Description: Started in 1986 and held during the week of Bennington Battle Day as a friendly competition among State Employees, this regatta is open to any wind powered vessel. Spinnakers are permitted.

Eligibility: MBBC members as well as non-members, employed or retained by the state and who own their vessel or who skipper another's with at least one state employee crew. Retirees and Health Plan eligible persons may also enter.

Registration: 1000 to 1100 hours at MBBC.

Please try to pre-register via email to RodCarr32@aol.com anytime after June 1 and before 0900 hours August 15. [Just type "Corrections Cup" in the subject and tell me your name, boat name and boat type in the email.]

There will be two classes, with and without spinnaker.

Skippers' Meeting: 1030

Harbor Start: 1100

Course: Inner Malletts Bay, to be announced at Registration.

Starting Time:

Individual start times based on your PHRF rating will be assigned at registration and the first boat to finish wins!

| Flag | Warning | Preparatory | Start |
|-------|---------|-------------|-------|
| White | 1155 | 1156 | 1200 |

Scoring:

The race will be scored using The Racing Rules of Sailing for 2005-2008 ISAF Rule 88.3 and Appendix A.

Awards:

Corrections' Cup trophy awarded to the winner in the spinnaker class right after the race.

9. Sailing For Cystic Fibrosis Knotta Regatta

Date: Saturday – September 6

General Description: A two-race event held on Outer Malletts Bay.

The Knotta Regatta is held to raise awareness and funds for people with cystic fibrosis (CF) in the greater Burlington area. A reception cookout and fundraiser event will be held immediately following the races. Contact Gerry Couture for more information.

Eligibility: Open to all PHRF boats.

Classes: Classes A, B, C, D and non-spinnaker. Any PHRF fleet with two or more boats.

Registration: 0800 to 0900.

Non MBBC members may register at the Race Committee Boat.

Race Instructions: Available during registration and at the Race Committee Boat

Course: As per race instructions

Harbor Start: 0930

Start Time: First Warning Gun at 1030

Awards: Presented directly after the race

10. Benedict Arnold Race

Date: Saturday, October 4

General Description:

This race commemorates the Revolutionary War naval Battle of Valcour which occurred on Friday, October 11, 1776 between an American fleet commanded by Benedict Arnold and a British fleet under the authority of Sir Guy Carleton, though he was not the operational commander.

The weather that day was clear with a northerly wind. Snow could be seen on the mountains. The American fleet was anchored across the Valcour Channel from near Bluff Point to the New York shore. There were 500 non-sailors in this fleet. The British fleet, 700 sailors, had passed the eastern shore of Valcour Island the previous

day, sailing south. In order to attack the American fleet, the British fleet had proceeded to windward up the Valcour Channel by tacking and rowing.

The first British ship was sighted by the Americans at 8 AM. The battle commenced three hours later at 11 AM with the main forces joining battle at 12:30 PM. The battle ended at 5 PM. During the battle Arnold's flag ship "Royal Savage" was badly damaged and driven ashore on Bluff Point where it was abandoned.

After the battle the British fleet retired south and anchored in a blocking line with the eastern end of the line near Garden Island. However, during the night Arnold was able to slip away by sailing down the western shore of the Channel. On the following days in their search for the American fleet, it was reported that some British ships fired upon a rock south of Providence Island, thinking it was an American ship. That rock is now named Carleton Prize.

Eligibility: Open to all PHRF boats.

Classes:

- A: Spinnaker (full race) PHRF Handicap 99 and lower.
- B: Spinnaker (full race) PHRF Handicap 102-141.
- C: Spinnaker (full race) PHRF Handicap 144-177
- D: Spinnaker (full race) PHRF Handicap 180 and higher
- N: Non-spinnaker (maximum rated PHRF genoa)

Skippers' Meeting: None

Starting Times and Sequence:

See Page 75 for explanation of Starting Sequence. Class Flag is "White".

| Class | Flag | Warning | Preparatory | Start |
|---------------|-------|---------|-------------|-------|
| A, B, C, D, N | White | 1100 | 1101 | 1105 |

Course:

- a. Start near Carleton Prize
- b. RN 24 (Crab Island) to port
- c. Crab Island to port
- d. RN 2 (Valcour Shoal) to starboard
- e. GC 3 (in Valcour Channel) to port
- f. Garden Island to starboard
- g. RN 28 (Garden Island Ledge) to port
- h. Finish near Carleton Prize

Course length 12.25 nm

Time Limit: 1630 hours for all classes

Shortened Course: The course may be shortened to finish at any of the RN's that are marks on the course.

Scoring: All Classes will use PHRF time-on-time handicap and will be scored using The Racing Rules of Sailing for 2005-2008 ISAF Rule 89.3 and Appendix A.

Awards: Benedict Arnold Trophy to the boat with the fastest corrected time regardless of class.

2008 Lake Champlain PHRF Championship Series

Series Format:

The PHRF Committees of the Malletts Bay Boat Club, The Lake Champlain Yacht Club and the Valcour Sailing Club announce the Lake Champlain PHRF Championship. In the spirit of Lake wide racing, yachts are invited to participate in a four race series.

- A. The Royal Savage Regatta (MBBC)
- B. The Mayor's Cup (VSC)
- C. The Ladies Cup (LCYC)
- D. Results from either the Lake Champlain Race (MBBC) or the Commodore MacDonough Race (LCYC)

Eligibility:

Any yacht with a valid 2008 Lake Champlain PHRF certificate is eligible to participate in the 2008 Lake Champlain PHRF Championship.

Rules:

The rules governing the particular event as described in the sailing instructions and referenced authorities for the particular event shall govern each event that makes up the 2008 Lake Champlain PHRF Championship.

Scoring:

Scoring will be based on overall fleet position without regard to PHRF class per event (as opposed to per race in a multi-race event), counting only boats participating in the 2008 PHRF Championship Series. Fleet position will be determined in accordance with the rules of the particular event for determining fleet position (e.g. best combined finishes in a multi-race event as opposed to lowest total corrected time). Scoring will be by low point system, with each boat being scored a number of points equivalent to its overall fleet position, except that a yacht winning an event will receive three-quarters of a point.

A boat not finishing an event or any race in a multi-race event will be scored one point more than the number of series participants who finished an event or who finished all races in a multi-race event. Boats not starting a race in a multi race event will be scored two points more than the number of boats finishing an event or all races in a multi-race event.

Ties will be broken in the following manner:

- (a) the first tie-breaker will be head-to-head corrected time finishes: which boat beat the other more often;
- (b) the second tie-breaker will be the lowest aggregate corrected time of races in which the tied boats sailed against each other.
- (c) there will be no additional tiebreakers.

There will be no throw outs races, although only one of the overnight races (Lake Champlain Race or long course MacDonough Race) will be counted in a yacht's series score. A boat need only participate in one of the overnight races (Lake Champlain Race or long course MacDonough Race) to be eligible for the series championship. A boat must participate in one of the above overnight races to be

eligible for the series championship.

Championship:

The boat with the least accumulated points as a result of the series will be the 2008 Lake Champlain PHRF Champion. The championship boat will have its name inscribed on the Griswold Cannon Trophy which will be maintained at the Shelburne Shipyard. Other trophies for other finishers may also be awarded.

How Does The Starting System Work?

The following table describes sequence for using the Starting System.

| Title | Visual Signal | Sound Signal | Time to Start |
|-------------|--|---|---------------|
| Warning | Class Flag(s) Displayed | 1  | 5* minutes |
| Preparatory |      Blue with a white square Yellow with a black dot Yellow Black Blue Red Yellow Black Blue Red Black Flag | 1  | 4 minutes |
| | Preparatory Flag(s) Removed | 1  | 1 minute |
| Start | Starting Class Flag Removed New Starting Class Flag Raised | 1  | 0 |

* or as stated in the sailing instructions
 The warning signal for each succeeding class shall be made with or after the starting signal of the preceding class.

The Midweek and Fall Series

The Midweek and Fall Series, have multiple starts. The starting sequence is uninterrupted. The starting signal for the starting class is the warning signal for the next class. If the start is fair, meaning no one was on the course side of the starting line at the start, the next class flag is raised as the starting class flag is lowered. (one up and one down)

Individual Recalls:

In the case of an Individual Recall, after the next class flag is raised, one additional sound and the Individual Recall Flag will be raised. The Race Committee will attempt to hail the guilty boat(s), although it is the boats responsibility to start properly. The Race Committee attempt to hail them is a courtesy.

General Recalls:

In the case of a General Recall, after the next class flag is raised, two additional sounds and the General Recall flag will be raised. In the event of a General Recall the recalled fleet will start at the end of the class starts.

Starts with only one Sequence:

The starting sequence follows the Racing Rules of Sailing "26 Starting Races" as detailed in the graphic above.
