

Malletts Bay Boat Club Junior Sailing COVID-19 Update

MBBC will be operating the Junior Sailing program this summer in accordance the Vermont summer camp and MBBC operational guidelines. We have made the following adjustments to our daily routine:

Class Size - Class size has been reduced in each session.

Limiting Contact – We may need to suspend the program if there is a positive COVID-19 test. With that in mind, please limit exposure risk as much as possible in the 2 weeks prior to your session and during the session.

Attendance - Please do not bring your child to Junior Sailing if anyone in your immediate social bubble has an active COVID-19 infection or is exhibiting any symptoms related to a possible infection.

Facial Coverings - Currently MBBC requires all people to wear facial coverings when on the grounds. This guidance may change over the course of the summer. It currently means facial coverings should be worn as soon as you get out of your car.

Physical Distancing - We will be following the current State guidelines regarding physical distancing. Please stay at least a dolphin length (6 feet) apart when rigging and derigging your boats

Drop off - Drop off and check in will be done on the patio by the upper level of the club. An instructor will meet you there to check in your sailor(s). The instructor will be checking temperatures and asking some general health questions every day. The person doing the drop off needs to stay until the sailor is checked in. Please wait in your car if another group is checking in.

Equipment - Each sailor will be assigned a boat at the beginning of the two-week session. All equipment that is used in both the morning and afternoon sessions will be thoroughly cleaned before use.

On the Water - Facial coverings are optional, but recommended, on the water for single handed boats and for double handed boats where the sailors are from the same social bubble. Instructors will wear facial coverings when within 6 feet of any of the sailors on the water. Facial coverings **MUST** be worn when on shore at MBBC.

Note: Buffs are currently on order for participating sailors and will be available for purchase for other family, club, and non-club members.
